

A photograph of a church interior during a service. A priest in a dark robe stands at the altar, which is illuminated by four candles. Behind the priest is a large, ornate stained glass window depicting various religious scenes. The church has high ceilings and Gothic-style architecture. In the foreground, the silhouettes of several people are visible, seated in pews, looking towards the altar. The overall atmosphere is solemn and reverent.

What are you passionate about? Austin is passionate learning about Jesus. He loves dancing and interacting with his new friends.

Parent/Guardian Name: Ella Williams

School: LouElla Elementary school

## What is Juneteenth?

The holiday's origin story begins in Galveston, Texas, which was the western-most area of the Union in 1865. When enslaved people there were told of their emancipation on June 19, 1865, they had technically already been freed two-and-a-half years prior, when President Abraham Lincoln issued the Emancipation Proclamation on January 1, 1863. Slaveholders in Texas had kept the information to themselves, extending the period of violent exploitation of enslaved African Americans. The following year, in 1866, a celebration was had in Texas, the first Juneteenth observance to recognize freedom from slavery in the U.S.

### **Exodus 3:7–8 Exodus 3:7–8**

Then the Lord said, “I have indeed seen the misery of my people in Egypt... So I have come down to rescue them from the hand of the Egyptians and to bring them up out of that land into a good and spacious land...”
